

Laughlin/Bullhead International Airport / KAMMA Employee Travel Contest

ABOUT THE PROGRAM:

To ensure the success of the new American Airlines service to/from Laughlin/Bullhead International Airport (IFP), the airport is offering Kingman and Mohave Manufacturing Association (KAMMA) member businesses, a unique business travel program as a thank you for flying from IFP.

HOW THE EMPLOYEE TRAVEL CONTEST WORKS: It is understood individual employees also make decisions when booking travel. To encourage and reward the individual business traveler, the Airport is running a business travel contest for all KAMMA member employees. One prize winner will be drawn each month between July and October 2017. Special entry form link for promo can be shared with all participating companies/employees: <http://www.flyifp.com/kamma/>.

Simply fill out the entry form and upload a photo/screen shot of your travel itinerary (be sure to capture travel dates/destinations) to the Airport's secure entry page: <http://www.flyifp.com/kamma/>. You can enter once per trip booked during the contest period.
- **Monthly Prizes:** Each month during the contest period (July, Aug., Sept., Oct. 2017) we will choose one (1) winner to receive \$200 in American Airlines travel gift cards.
- **Opportunity for Bonus Entries:** *Use the same entry link/form and upload a "selfie" of yourself, flying from IFP and receive a bonus entry into the contest.*
